Happy New Year! May you seek Him this year with renewed joy, peace, and a desire to thrive not just survive! We are so blessed by you, our studio family, and are so appreciative of all the gifts and cards received for each staff member. Thank you!

Recital info is coming your way so please be sure to read everything! And of course ask us if you have questions! First up—recital music will be edited and sent to you via a google drive folder for each class from your teacher. We believe if they practice at home they will be more confident in knowing their dance on the big stage! We want everyone knowing

their dance on the big stage! We want everyone to succeed and enjoy this whole process! Stay tuned for more!

Please remember that when schools are off due to holidays or end of semesters we still have class. The only breaks are listed below. If we have inclement weather any cancellations will be emailed and posted to our social media 2 hours before the class start time.

Mark Your Calendar!
