Hello! Happy May Day, Happy Memorial Day, & Happy Mother's Day !!!

Mothers may you feel celebrated and loved for all the big and little things you do for your families!

The school year is closing in so quickly and yet, much to be accomplished! I appreciate you keeping yourself informed...if it is your first recital with us, be sure to read notes that are coming home....thank you ! Also remember your cooperation & ability to follow instructions is very necessary for things to run smoothly and put on a good production ! You must not miss any classes between now & showtime...every word spoken will be important for you to hear & know! This is the time our commitment becomes *real*, to ourselves, our classmates, our teacher, and our audience. Get excited because HERE WE GO! Love, Ms. Sarah

## ALL DANCERS MUST BE PRESENT!

I suggest bringing your student for the entire thing as it is their opportunity to see the show in its entirety & it is part of the learning process of the performing arts. Students must stay for the final bows. They are to see their teacher before they can leave.

Be sure to ask about all our performing groups and how you might want to be involved in the coming year!
