Dance Arts loves to share the love of dance with each person that walks through our door. Dance IS for everyone!

Our classes are for ages 0-adult and our adults have a blast being together just as much as the kids! We build our curriculum from ballet upwards adding new genres and styles as the student gets older. Ballet is our foundation and we believe in a good foundation so that our dancers can do it all!

The summer is a fantastic time to improve on skills without the distraction of school work or a chance to try new genres of dance in a shorter session period. Our summer session is 4 weeks from July 11th til August 3rd. We strongly suggest Dance Camps as an alternative to regular classes and a chance to shake up the class routine. Our Classic Dance Camp is for all ages 4-19 and our goal is create the most well-rounded dancer providing elements such as acting, music, nutrition, costuming, and more beyond working on their technique & skills.

A note to remember...Classes have limited spots available therefore enrollment will be on a 1st come 1st serve basis. Open Enrollment starts April 20th online at www.dancearts-sdt.com

All new students are encouraged to come in June 16th from 2:00-6:30pm at our Open House so they may meet their teacher and get the needed dancewear for their classes.
