October 2021

Dance is a beautiful art form and we hope that you'll enjoy all the many facets of it. Come attend our Informal Arts Concert to be a participant or a audience member. We also have Nutcracker & Velocity coming up! Mark your calendars! And we have some openings in our adult classes— so grab a friend and come dance! Dance IS for everyone!

As life happens, we realize that sometimes missing class is evitable. We strongly encourage dancers to attend all classes (we do give awards at the end of the year for attendance) and we encourage you to make up any missed lessons within 6 weeks of missing it. We want you to get the lesson and the information missed (& your money's worth!) The make up class schedule is always posted under the front office counter. Be sure to check that out if you've missed any classes.
