Fall is here!

Isn't amazing how the colors change without having to do anything-we just get to enjoy it all! There's such beauty all around us! I challenge you to take your family on a walk and get outside a little to enjoy the beauty that is our town! #lovewhereyoulive

Production Recital 2022- Mary Poppins

This is the culmination of the year of hard work put in by each and every student. Unlike sports where they have regular games to show off their skills, our recital is our BIG GAME! We desire for each dancer to be a part of our recital, *Mary Poppins*. Recital is a wonderful experience to be in a big theatre, each person playing a role to help tell the story (everyone is important!) We desire this to be a great experience for all and not stressful for anyone. Our staff is well equipped with many years experience and as we partner with each family to make this show come alive, we know that it will bring joy to each and every one of you.

As we prepare for our Production Recital, there's a few things to note.

~Our recital is **Sunday June 12th at 3pm**

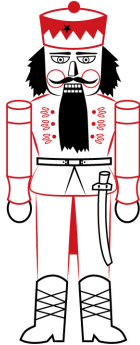

~Our dress rehearsal is **Friday June 10th 4-8:30pm** *Little dancers will not be expected to stay the entire time but will have a release time they will be done by.

~We measure everyone so the costume is the best fit for each dancer, keeping in mind they will grow from December to June. We will measure for costumes the week of **December 6th**. It is IMPERATIVE they are there that week so we can get their size correct. Your costume deposit of \$25 per costume/class will be due **December 1st**. This is non-refundable. To guarantee our costumes will be made and shipped to us by April we must collect this deposit to order costumes over Christmas break. With everything post-pandemic we do not want to have anything delayed because of shipping or availability. The remaining costume balance will be due **February 1st**. Costumes costs vary but generally run from \$40-\$85.

~Each family participating in recital will have a Recital Production Fee of \$30 to cover music editing, ordering costumes, making sets and prop pieces that everyone will get to enjoy! This is due **January 10th**.
