

February 2022

How important it is to be able to tell someone that you love them. This month reminds us to share those three simple words often! I love all of you and am beyond blessed by you! I love what I do and am glad I get to share it with you! Happy Valentine's everyday! Love, Miss Sarah

Recital time is a fun & rewarding experience when everyone involved has patience, kindness, & understanding. Cooperation is the key ingredient... between parents, teachers, students, & classmates. It takes good old fashioned TEAMWORK!

On a recital year, both students & parents continue to complete their dance education by learning more about space, patterns, music, choreography, costuming, & rehearsing- that are not a regular part of classwork, yet an integral part of the dance world. Everyone doing their part...it will be as good as you are! And I know it will be GREAT! Because YOU are a part of this team... everyone will shine with pride and the feeling of accomplishment. So, I thank you in advanced because *Mary Poppins*, will be a memory to last a lifetime!

Sunday June 12th
at 3pm at Lakeshore
Community Auditorium

ATTENDANCE - is VERY important during recital time, as each class needs to learn, work, & grow together. Therefore, everyone must be present. If you must be absent, please call & leave a message prior to the class. Then our class make-up will be on _____ at _____ for recital time.

Costumes 101-

- *Make sure when you receive your costume that your dancer tries them on to make sure you approve of the sizing. If any exchanges need to be made it will be a \$10 fee that the costume company charges to do so.
- *Once the costume has been tried on, please put it in a garment bag with their name on it. Put the dancers whole name on the costume (including any additional pieces ie: gloves, head-pieces) Hats should be stored in a hat box or similar container to prevent damage. Zip lock bags work wonderfully for accessories with a hole, hanging right over the hanger.
- *Make sure to hang costume up upside down if there is a leotard with a skirt. (Hanging by the straps stretches them out)
- *Costumes are NOT to be worn from now until RECITAL with the exception of Picture Day and Dress Rehearsal (Costumes are always to be brought in their garment bag-not worn outside.)
- *Although rare, if alterations are needed after the costumes have been distributed, they will be the sole responsibility of the student's parent or guardian. Please contact the office for recommended seamstresses.
