Happy St. Patrick's Day to you! We hope this footnote finds you happy & healthy! To help us communicate all the many details this time of year it is *imperative* that you read this entire footnote and make notes of dates in your calendar. Please also note that the emails we send are important as it is our double check to make sure information was relayed. We respectfully ask that you remember your commitment that you made to this recital—remember it is our “big game” of the year and it is important that each piece of the puzzle is present in classes and rehearsals. One of the many life lessons dance gives us is discipline—commitment to see something all the way through is one way we act it out in our personal schedules. Thank you for your understanding and placing importance on this commitment for your dancer and your instructor. Thank you!

Love, Miss Sarah & Staff
