2022

Hello! Happy 4th of July and Happy Summer! We are so thankful you chose to dance this summer— maybe to improve on your skills, maybe to meet new friends, maybe just to have a moment each week to love the music and the movement. Dance is for everyone to enjoy and we love to dance with all of you!

Love,
Ms. Sarah & Staff

Visiting Week.....August 1st, 2nd, 3rd.....see you there !!!!!

*We strongly recommend coming to observe your dancer. Visiting Week is your chance to see what each class is working on & accomplishing and since this is the last class of the summer session, it's a chance to celebrate each student.
