

October 2022

Dance is a beautiful art form and we hope that you'll enjoy all the many facets of it. Come attend our Informal Arts Concert to be a participant or an audience member. We also have Stories Under the Stars & Velocity coming up! Mark your calendars! And we have some openings in our classes—so grab a friend and come dance! Dance IS for everyone!

As life happens, we realize that sometimes missing class is inevitable. We strongly encourage dancers to attend all classes (we do give awards at the end of the year for attendance) and we encourage you to make up any missed lessons within 6 weeks of missing it. We want you to get the lesson and the information missed (& your money's worth!) The make up class schedule is always posted under the front office counter. Be sure to check that out if you've missed any classes.

My Make Up Class _____ in Studio _____

Please remember studio etiquette to treat the studio with respect (stickers do not go on benches or walls etc), and treat each other with respect (raising your hand before you talk & saying kind things to each other). Please make sure all dancers have used the bathroom before class begins and please enter your classroom quickly & when the music is off, if you are running late. Mirrors are tools to help us see our bodies but are not to be touched. Please NO street shoes on our dance floors— we don't want to dance with the dirt! Thank you! We are a safe & fun place to be, but need everyone's help to keep it nice! Happy October! Enjoy all the many activities we have planned for you this month! We are blessed to have each of you in our dance family.

Love, Miss Sarah & the Dance Arts Staff
