Recital Volunteers

In your email you will see a form to fill out for the many different areas we need volunteers. Please let me know if you have any questions.

Attendance

We celebrate achievement and therefore we believe Attendance is VERY important!!!

During recital time, as each class needs to learn, work, & grow together it is imperative they are here for class. This is what gives them the confidence in achieving a terrific recital experience. If you do miss a class for sickness or school events, please call & leave a message or email your teacher, prior to the class. We trust that you have committed to us and helping your dancer be their best. We trust that you have not added other activities in front of what you've already committed to. We thank you for honoring your commitments with us & teaching your dancer about time management. If you do have any absences, we encourage you to make up your class ASAP.

Our class make-up is _____ in studio ____.

(Quick reminder that the classes we suggest to have your dancer make up in- is because they are either the same teacher, the same song in recital or the right level to make up in.)

Recital Rehearsals

To put together our dances that involve many classes please attend the _____ **class on _____** for a recital rehearsal class. (This does count as a make up if you need it!)

Snow Day Make Up

Your Snow Day Make up is _____

Recital 101

- Costume balances are due **February 15th**. (Please see your parent portal for the photo and costume pricing for child vs. adult sizing. I will have costume balances updated on your parent portal by next week.)
- Your Production Fee of \$30/family is due by **February 15th**. This is to make sure the dancers have the needed props and scenery to create a beautiful show!

Recital is a fun & rewarding experience when everyone involved has patience, kindness, & understanding. Cooperation is the key ingredient... between parents, teachers, students, & classmates. It takes good old fashioned TEAMWORK!

With a dance recital, both students & parents continue to complete their dance education by learning more about space, patterns, music, choreography, costuming, & rehearsing- that are not a regular part of academic classwork, yet an integral part of the dance world. Everyone doing their part...it will be as good as you are! And know it will be GREAT! Because YOU are a part of this team... everyone will shine with pride and the feeling of accomplishment. So, I thank you in advanced because The Lion, The Witch and The Wardrobe, will be a memory to last a lifetime!
