Dance Arts is a studio devoted to the teaching of dance as an ART FORM, to both children and adults. Our staff provides each student with instruction, encouragement, and personal interest to succeed. Dance is the finest exercise known, producing a graceful, strong, and healthy body. As a result of this personal interest and instruction, we now have many former students dancing and teaching with professional companies, colleges, and theatres all over the United States.

Our curriculum consists of all styles of dance and students are carefully evaluated and guided to a schedule best suited to their needs, be it a career, or the simplicity of enjoying movement!

A student may remain in the same level for 1 to 3 years, advancing upon their own proven ability. The titles I, II, or III are primarily based on age group & are simply titles within the level. Note classes marked with \* have requirements to meet.

The studio reserves the right to

1. Refuse applicant to limit enrollment (class minimum is 5 students & maximum 20)
2. Require audition before enrollment for proper placement.
3. Dismiss a student.

*The first month's tuition is required at the time of registration.*

Enrollment is not official until payment has been made.

There is a \$30.00 REGISTRATION FEE per family.
