HELLO & WELCOME

Hello! Happy 4th of July and Happy Summer! We are so thankful you chose to dance this summer- maybe to improve on your skills, maybe to meet new friends, maybe just to have a moment each week to love the music and the movement. Dance is for everyone to enjoy and we love to dance with all of you!

Love,
Ms. Sarah & Staff

Visiting Week

ALL Classes July 29-31

This is a fantastic opportunity to have parents in the classroom with us- observing the dancer's hard work and seeing their progress. In the school year we do this every 6 weeks, but in the summer our Visiting Week, is the culmination of our summer session. It is important to come & be here, even if only for part of the class. This is also our face to face time with all of you and the chance to talk through questions or announcements!

Placements, Evaluations & School Year Schedule

You will receive your fall brochure and placements via email at the end of this week. You will receive a paper copy in the mail in the next week. If you have moved please make sure your correct mailing address is in your parent portal.
