HELLO & WELCOME

Hello! Happy 4th of July and Happy Summer! We are so thankful you chose to dance & tumble this summer– maybe to improve on your skills, maybe to meet new friends, maybe just to have a moment each week to love the music and the movement. Dance is for everyone to enjoy and we love to dance with all of you!

Love,
Ms. Sarah & Staff

Visiting Week

ALL Classes July 21-23

This is a fantastic opportunity to have parents in the classroom with us- observing the dancer's hard work and seeing their progress. In the school year we do this every 6 weeks, but in the summer our Visiting Week is the culmination of our summer session. It is important to be here. We will be doing a little "recital" showing at the end of each class this week. Visiting Week is also our face to face time with all of you and the chance to talk through questions or announcements!

LA Experience Trip

All dancers ages 10-21 are invited and encouraged to experience the dance scene in Los Angeles Spring Break, April 2026. We do an experience trip each school year to help dancers see and experience what dance looks like in different parts of our country. Join us on this amazing trip that includes so many features and events! Please email Ms. Sarah to get on the list THIS week so you can join us in rehearsals in September.

Placements, Evaluations & School Year Schedule

You will receive your fall brochure and placements via email at the end of the summer if you are a new student to our program. If you took classes this past year you received placements in March. The Fall brochure will be mailed out in July. If you have moved please make sure your correct mailing address is in your parent portal.
