Attendance

We celebrate achievement and therefore we believe Attendance is VERY important!!!

During recital time, as each class needs to learn, work, & grow together it is imperative they are here for class. This is what gives them the confidence in achieving a terrific recital experience. If you do miss a class for sickness or school events, please call & leave a message or email your teacher, prior to the class. We trust that you have committed to us and helping your dancer be their best. We trust that you have not added other activities in front of what you've already committed to. We thank you for honoring your commitments with us & teaching your dancer about time management. If you do have any absences, we encourage you to make up your class ASAP.

Our class make-up is _____ in studio ____.

{Quick reminder that the classes we suggest to have your dancer make up in- is because they are either the same teacher, the same song in recital or the right level to make up in.}

Recital Rehearsals

To put together our dances that involve many classes please attend the _____ **class on** _____ for a recital rehearsal class.
(This does count as a make up if you need it!)

Experience Trip

We are SO excited to share that we will be going to

Chicago July 31-August 2, 2026!

If you are interested in attending this trip or hearing more about it we will be having a parent info meeting on

Thursday February 12th 9-9:30pm.

This trip will be for dancers ages 12+ and will include a professional photo shoot, classes all over the city and SO MUCH MORE!

Picture Day Conflicts

If you know of any conflicts for May 2nd Picture Day- please let Miss Sarah know by February 2nd as we will be making the schedule with the photographer next week!

Recital Volunteers

In your email you will see a form to fill out for the many different areas we need volunteers. Please let me know if you have any questions.

Snow Day Make Up

Your Snow Day Make up is _____

Recital 101

- Costume balances are due **February 15th**. (Please see your parent portal for the photo and costume pricing.)
- Your Production Fee of \$35/family is due by **February 2nd**. This is to make sure the dancers have the needed props and scenery to create a beautiful show. This also covers having many staff there the day of show.

Recital is a fun & rewarding experience when everyone involved has patience, kindness, & understanding. Cooperation is the key ingredient. Between parents, teachers, students, & classmates it takes good old fashioned TEAMWORK! With a dance recital, both students & parents continue to complete their dance education by learning more about space, patterns, music, choreography, costuming, & rehearsing- that are not a regular part of academic classwork, yet an integral part of the dance world. When everyone does their part it will be a wonderful day for your dancer and your family. We are dreaming BIG and I know it will be GREAT because YOU are a part of this team. Each dancer will shine with confidence and the feeling of accomplishment. So, I thank you in advanced because The Little Mermaid, will be a memory to last a lifetime!
