HAPPY ST. PATRICK'S DAY

Happy St. Patrick's Day to you! We hope this footnote finds you happy & healthy! To help us communicate all the many details this time of year it is imperative that you read this entire footnote and make notes of dates in your calendar. Please also note that the emails we send are important as it is our double check to make sure information was relayed. We respectfully ask that you remember your commitment that you made to this recital- remember it is our "big game" of the year and it is important that each piece of the puzzle is present in classes and rehearsals. One of the many life lessons dance gives us is discipline- commitment to see something all the way through is one way we act it out is in our personal schedules. Thank you for your understanding and placing importance on this commitment for your dancer and your instructor. Thank you!

Love,
Miss Sarah & Staff

Recital 101

Recital Committees

Please see your email regarding the Recital Committees you signed up for to know your meeting times. **Thank you for your help in making this a terrific recital for all students & families!**

Extra Practices

My role in recital has an extra practice on

- **Home Study**--To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their recital choreography on a regular basis. Their music makes this even more fun and is in the google drive folder "2025-2026" Please see your teacher for additional questions.
- **Costume Care**--Your dancer's name **MUST** be placed on all costume parts, including accessories, tights, and shoes. Place costumes in a garment bag (or garbage bag may be used over costume) with your child's name on the **OUTSIDE**. Pack accessories in a clear plastic bag also with your name on the outside. Hats should be stored in a hat box or similar container to prevent damage. Press (delicate fabrics...with a cloth over it) or steam costumes to get wrinkles out. (Do not iron sequins.) Please make sure costumes are ready to go prior to picture day, dress rehearsal and the performance. Costumes are only to be worn these 3 times. After recital has concluded we encourage lots of dress up play & wearing over and over!
- **Recital Pictures**--Class pictures will be taken at the studio on Saturday May 2nd. Times will be posted on the bulletin board in the dressing room & emailed out this month. All students are to be present for their class picture. After the group shot is taken, students may choose to have individual shots taken. Photography is done by Sigler Photographics and will offer various packages to suit your needs. You will receive an order form with your April footnotes, please bring it with you on picture day or complete the purchase online. Please arrive 30 minutes early to be ready for your photo time getting dressed in studio B. We must stay on schedule! Thank you for your cooperation.
- **Checklist & Scene Info**--- Next week coming home will be a list of what you should have with your costume-shoes, tights, headpiece, etc. It will also include your act and scene information.
- **Pre Planning**----The recital isn't a one-day activity. Gather all costumes, accessories, shoes and make-up/supplies several days in advance so you'll know if something is missing or isn't right. Make a checklist of your student's routines, listing their costume, tights, shoes, accessories, and props, and refer to it make sure you have all your supplies before going to the auditorium. Other things to include; safety pins, a needle and thread the color of their costume (already threaded helps in time of emergencies). Handy extras are baby wipes, baby powder, a pain reliever of your choice, band-aids, extra tights, instant ice pack, and clear nail polish for emergency runs in tights. It is a good idea to have something quiet to do backstage (book to read or coloring book...etc) Dance Arts will not be responsible for electronic equipment-leave all valuables at home.
